

A Stewardship Update as of November 17

The Church is in the middle of a huge reset. Who are we? Who is still here? Who are the people coming through our doors? What do people need? How do we make the Good news of God in Christ relevant, accessible, and transformative for them? How can we hold open a door through which people find the Peace of God which passes all understanding? What are we called to do, and what resources do we have available to us as we do that work together? This year's Stewardship Campaign will answer some of those questions.

Here is where we stand:

Total Number of Pledges received for:

2020 123 pledges totaling \$428,013

2021 108 pledges totaling \$428,926

2022 93 pledges totaling \$437,015

At this point:

**Last year - Total received for 2022 through November 18, 2021
87 pledges totaling \$398,115**

**This year - Total received for 2023 received through November 17,
2022**

64 pledges totaling \$336,280

Have you submitted a pledge card yet? Even if you are unable to pledge at this time, we need to hear from you. There is a box on the card you can check, indicating that you aren't able to pledge this year. We need to know that you are here! We are preparing a Stewardship update for the Annual Meeting. The Vestry will be working to craft a budget for 2023. Help us answer the questions, who are we, what are we called to do, and what resources do we have available as we do that work?

Please take time to read this year's stewardship materials, pray about your response to all that God has given us, and place your pledge card in the offering plate, mail it to the church, or fill out the online pledge card on the "Give" page of our web site.
